For Ages

14+

Cirago's High Performance Drone is fun to fly and is packed with great features. The drone has 4 channels and a 2.4 gigahertz remote transmitter. It has a HD camera which enables you to take both videos and photos while flying. Auto Take-off, Auto Hover, and Auto Land, make it fast and easy to master flying the Cirago Drone. Press the flip button and the drone automatically performs a 360 degree flip. Flight time is approximately 10 to 15 minutes on a single charge.
