

NuSound-Pod®

Boost your iPhone sound up to 25%
IPC4000 Series

More than an egg!

- Perfect fit for your iPhone 4/4S
- Holds your phone vertically/horizontally
- Connect your Sync/Charge Cable from bottom of the egg
- Made of high quality silicone
- Washable and durable
- No external power needed
- 19.5 dB of volume amplified

The egg shaped NuSound-Pod amplifies the sound of your iPhone and works as a stand at the same time.
